## Overhead Door and Harvey Windows

Est. 1948

Est. 1961

Overhead Door is one of the most recognized and respected brands in the garage door industry. C. G. Johnson invented the upward-lifting garage door in 1921 and the electric garage door opener in 1926. For over 95 years, the Overhead Door brand has stood for product quality and expertise, as well as professional service. From commercial overhead doors to residential garage doors and openers, Overhead Door combines quality, dependable products with reliable service for every single project.

Locally, Don Johnson began Overhead Door Co. of Burlington out of his home in 1948, and the company is now in its third generation. It has grown to become one of the largest overhead garage door and electric operator installation companies in Vermont and New Hampshire and one of the largest firms of its kind in northern New England, consistently winning national awards and recognition.

Since the early 80's, Overhead Door has offered windows, exterior doors, interior doors, trim and door hardware, quickly becoming the largest distributor of windows and millwork products in the area. We can help you improve your home's energy efficiency and aesthetic. Whatever your needs, you can trust us to offer high quality products and service. Integrity, knowledge and excellent service – these aren't just words, they represent how Overhead Door Co. of Burlington does business.

**The Genuine. The Original.**

## What can you expect from Harvey Windows supplied through Overhead Door?

### *Beauty & Elegance*

Low profile locks and components give a sleek appearance. Our design elements provide clean lines with a beautiful fit and finish with every Harvey Window.

### *Ease of Operation*

Heavy-duty hardware ensures a lifetime of worry-free operation.

### *Energy Savings*

All Harvey Windows are available to meet or exceed the US Department of Energy's ENERGY STAR standards. Plus, our air infiltration rates are among the lowest in the industry.

### *Peace of Mind*

All Harvey Windows are made right here in New England. Your warranty is backed by one of the most established window manufacturers in the entire country.

# Tribute Vinyl Window

## For New Construction and Replacement

Tribute® incorporates all the valuable qualities of Harvey vinyl windows and adds enhancements like standard ENERGY STAR glazing for outstanding thermal performance, a revolutionary dual-acting lock/tilt latch for increased convenience. For the ultimate in energy efficiency, add our optional High Performance Package with triple glazing.

- Standard integral handle on top sash
- Attractive, low profile locks
- Contoured sash and glazing bead provide a sleek, sophisticated design that emulates the traditional lines of a well-crafted wood window
- Streamlined bottom sash with optional integral or applied lift handles in white at no extra charge
- Available with BetterGrain® premium wood grain interior finish
- All Tribute double hung windows include Harvey Virtually Invisible Enhanced Window Screen (VIEWS) half screen
- Standard ENERGY STAR® glazing surpasses ENERGY STAR qualifications with Double Low-E/Argon and warm edge spacer system
- Anti-theft ventilation limit latches for security while ventilating
- Dual action low profile sash lock with integrated tilt/wash feature eliminates the need for separate tilt latches

*Shown with optional High Performance Glazing and Foam Insulated Frame and Sash.*

*Tilt-in top and bottom sash for easy cleaning.*

## Slimline Vinyl Window **For New Construction and Replacement**

Slimline double hung vinyl windows feature a sleek, fully-welded sash profile and a fully-welded frame. This unique design minimizes the width of the sash frames to increase your exterior view. We've applied the latest technology to produce an attractive window at an affordable price, without compromising on features. Slimline offers high-quality design, value and custom manufacturing for a perfect fit.

- ENERGY STAR® qualified with optional ENERGY STAR glazing package upgrade
- Low profile sweep locks
- Factory calibrated block & tackle sash balances never need adjustment or lubrication
- Ventilation limit latches that keep top or bottom sash partially open
- Fiberglass half screen (standard)
- C50 upgrade available

## Classic Vinyl Window **For New Construction and Replacement**

The Harvey Classic vinyl double hung window offers a variety of styles, colors and options to meet any homeowner's needs. The Classic window is custom made to fit with very little carpentry needed, reducing installation time and mess. Our sleek fully welded sash and frame design provides a one-piece sloped sill and better performance than ordinary vinyl windows, with an air-tight seal that keeps wind and water where they belong – outside.

- ENERGY STAR qualified for heating and cooling savings
- Sashes tilt in for easy cleaning
- Premium block and tackle balance for easy operation
- Limit latches for partial ventilation
- In-glass grids or SDL (Simulated Divided Lite)
- Heavy duty cam action lock available in many finishes
- White, Almond or Bronze throughout
- 28 exterior paint colors
- BetterGrain woodgrain interior available
- Optional VIEWS virtually invisible screens
- Interior and exterior trim options
- Lifetime Warranty

# Match Any Architectural Style with our Custom Options

# Create a Spectacular Focal Point for your Home

Vinyl bay windows combine traditional style with the convenience of maintenance-free vinyl at either 30° or 45° angles. Vinyl bow windows appear more rounded in projection as they are comprised of windows at a 10° angle.

## Bay & Bow

- Custom manufactured to fit virtually any opening
- Factory assembled for easy installation
- No exposed joints or caulking on exterior of unit
- “L” style nail fin along jambs
- Head & insulated seat boards available in oak or birch veneer
- Cable support system included and required for all bay and bow windows
- Multi-point lock on all casements
- All roof systems are fully framed and sheathed in 1/2" plywood
- Available using casement or picture windows as well as Tribute, Classic and Slimline double hung windows
- Available with BetterGrain™ interior wood grain finishes

## Custom Roof Systems

Top your bay or bow window off with a custom roof system from Harvey Building Products. Systems are supplied as a one-piece unit ready for installation. Choose from genuine copper, painted aluminum or structural roofs that are ready to be finished with asphalt or wood shingles.

Painted Aluminum Roof Colors:

White

Coppertone

Patina

Bronze

Vinyl bay window using picture and double hungs with genuine copper roof

## Picture

Picture windows are perfect for maximizing your view and taking in the great outdoors. Extremely versatile, picture windows can be used alone or in conjunction with other window styles. Popular combinations utilize picture windows flanked by casement windows or double hung windows to add even more natural light and greater air circulation.

- Available with BetterGrain™ interior wood grain finishes

## Custom Shapes

Thanks to our special vinyl forming process, you can add variety and individuality to your home with custom shapes. Our specialty shapes, including octagons, triangles, roundtops and full circles, offer unlimited opportunities to customize your windows. We also offer numerous grid options to enhance your interior design possibilities. Wood and PVC trim can be specified on any specialty window for added value and beauty.

- Available with BetterGrain™ interior wood grain finishes
- Many styles and grid configurations are available, including half-round, quarter round, oval, elliptical, segmental, extended segmental and geometric shapes

Segmental shape mulled to a pair of double hungs; segmental picture window

# Additional Window Styles

## Casement/Awning

Things couldn't be easier with our beautiful and functional vinyl casement windows. There's no need to stretch to reach a top lock because the window unlocks with one easy-to-reach latch. Available in single or multi-unit combinations, our casement windows offer smooth operation and maximum ventilation. Add a breath of fresh air to any room in your house with a Harvey vinyl casement window.

- Single latch, multi-point locking system on casement secures window in multiple locations
- Window opens to a 90° angle for easy cleaning from the inside
- Optional simulated double hung meeting rail

## Rolling

Our rolling windows are easy to operate and an ideal choice for porches, family rooms, additions, multi-unit apartments buildings, condominiums and more. They operate with fingertip ease on a set of rollers. A half screen is included and a full screen is optional.

- Fully welded sash and frame
- Double locks on windows with opening height of 36-3/8" or greater

## Hopper

The Harvey hopper window is an excellent choice for basement applications. The hopper includes a full screen and is custom made to fit your opening.

- Fiberglass screen

## Vinyl Patio Door

The Harvey vinyl patio door is solidly constructed and reinforced with heavy-duty aluminum for added durability. Welded sash corners provide maximum strength while multi-chambered frame extrusions further increase their stability and thermal efficiency. Includes a heavy-duty screen, and can be customized to suit your style. Available in over 28 exterior colors.

- Fiberglass screen with extruded aluminum frame
- Flush mount deadbolt standard on operating panels
- Multi-point hardware available
- Corrosion resistant seacoast package available

## Hardware

## Patio Door with Transom

Patio door transoms can be factory mullioned to our 2-panel vinyl patio doors, allowing builders and remodelers to install in a single opening for a more aesthetically pleasing look. Choose from a variety of grid options, and a Simulated Divided Lite option for rectangles.

- Three styles available: Rectangle, Ellipse and Extended Segmental

## Blinds Between Glass

Blinds Between Glass offer an easy and convenient way to enjoy the look and privacy of conventional blinds with none of the hassle. They're the perfect solution for your Harvey vinyl patio door and provide the benefits of:

- Privacy and light control
- Convenience — no dusting!
- Safety for children and pets (encased blinds and cords)

Available in White only
